A BREATHTAKING PANORAMA

The Dents du Midi Region consists of 6 villages from the Val D'Illiez in Valais. Linked to the Portes du Soleil domain, it provides a vast summer and winter playground. The wide range of activities, the sports facilities, the animations, a wide choice of restaurants alternating between mountain gîtes and restaurants listed in the most important gastronomic guides, a national ice sports centre...you will find here a real haven of peace suitable for relaxation and entertainment, under the eye of the Dents du Midi.

1 INTERNATIONAL SKI AREA

Portes du Soleil

Sprawling across the French-Swiss border and including 12 unique resort villages, the Portes du Soleil is the largest international ski area in the world. Designed for winter sports, the Portes du Soleil is just as much fun in summer, with an endless network of hiking, biking and running trails.

INTO THE GREAT WHITE OPEN...

From the moment the first frosting of snow dusts the peaks of the Dents du Midi, a thrill of excitement shivers through the Val d'Illeiez in anticipation of the coming winter season. It's not hard to understand our collective obsession with winter sports; with more than 286 ski slopes covering 600 km of terrain, the Portes du Soleil is a very big deal around here. Skiers and snowboarders can choose from long, winding ski slopes, like the bucolic Ripaille – Grand Paradis run or the Didier Defago run, named for our local Olympic champion, or test their mettle on perilous black pistes like the infamous, vertiginous mogul field at the top of Chavanette, better known as the Swiss Wall.

But in Région Dents du Midi, the joys of winter come in a multitude of experiences and the ski slopes are just the beginning. 150 km of snowshoe trails explore silent winter landscapes far from the madding crowds, and then there is always cross-country skiing, ski touring, invigorating winter hikes, ice-climbing, curling and oh so much more!

INTO THE WILD...

There's something about the mountains, between the lure of exploration, the challenge of conquest or the romanticism of awe-inspiring panoramas, that seems to strike a chord in everyone, plucking irresistibly at the heartstrings and sending us headlong into the wilderness. By air, by land, by water, on two wheels, on horseback, harnessed to a rock wall or suspended from the treetops, adventure in the Alps never comes by half measures !

SUMMER SPECIAL OFFERS

E-BIKE

The electric bicycle is a model of electrically assisted mountain bike, specially designed for mountainous terrain and uneven terrain. It is available for rent in sports stores in the region and allows you to ride on easily the 350km or so of marked trails dedicated to electric bikes. Numerous recharging points will prevent you from running out of battery !

MULTI PASS

The Multi Pass is your golden ticket to UNLIMITED free summertime activities in the 12 village resorts of the Portes du Soleil. This is a whole new way to experience the Alps !

TOUR DES DENTS DU MIDI

Set foot on the Tour des Dents du Midi, one of the oldest long-distance hiking circuits in the Valais. Inaugurated in 1972, it owes its reputation to the marathon held here for nearly 40 years. With quaint alpine huts at strategic intervals along the trail, you'll finish each day in rustic comfort, with a hearty meal shared with your fellow travellers and a restorative night's sleep.

TROPHÉE DES ALPAGES

This challenge is for epicureans and nature-lovers, but there's no route to follow, no finish line and no purchase necessary! Just pick up a stamp card and set off to visit as many alpine huts and restaurants as you can between Champéry, Val d'Illiez, Les Crosets, Champoussin and Morgins. Stamp your card at each stop, then trade in your stamps for a tasty local treat at the Cavagne!

LAND OF CHARACTER

History has left us with a rich and multi-faceted heritage, from traditional lore passed down through the generations to rural customs upheld since time immemorial. In the Val d'Illeiez, our roots go deep and our cherished past is ever-present. Despite the inroads of modern tourism, the rustic mountain inns we call “cantines” still welcome weary travelers with the same hearty simplicity as they have done for countless others before us. In fact, welcoming guests is an integral part of our culture here in the Région Dents du Midi.

From demonstrations of traditional activities to food and drink tastings to festivals, art exhibitions, plays, concerts and more, we love to share our local know-how with guests from near and far.
